

**NOTICE OF PUBLIC COMMENT PERIOD AND HEARING
ON PROPOSED AMENDMENTS TO CLARK COUNTY AIR QUALITY REGULATIONS**

NOTICE IS HEREBY GIVEN that Clark County is proposing to adopt an ordinance creating a new Section 12.14 of the Clark County Air Quality Regulations (AQRs) to address Clark County's requirements to comply with the Nevada Regional Haze State Implementation Plan. **Section 12.14, "Regional Haze Requirements,"** applies to stationary sources that may reasonably be anticipated to cause or contribute to visibility impairment in any Federal Class 1 area.

NOTICE IS FURTHER GIVEN that a public comment period on the proposed ordinance will begin on March 27, 2022, and end at **5:00 PM on April 26, 2022**. The public and regulated community may review the proposed ordinance and provide written comments and input during this period. The Board will consider the proposed ordinance, along with all public comments, at a **public hearing at 10:00 AM June 7, 2022**, in the Commission Chambers, Clark County Government Center, 500 South Grand Central Parkway, Las Vegas, in accordance with AQR 2.2.2.

Copies of the proposed ordinance may be reviewed at the Department of Environment and Sustainability, 4701 W. Russell Road, second floor, Las Vegas 89118. The draft ordinance is also available for review on the department website at:

https://www.clarkcountynv.gov/government/departments/environment_and_sustainability/division_of_air_quality/rules_regulations/proposed_revisions.php, or copies may be obtained by contacting Richard Beckstead at 702-455-1611 or beckstead@ClarkCountyNV.gov

Any written comments must be submitted no later than **5:00 PM on April 26, 2022**, (1) by mail or delivery to the Clark County Department of Environment and Sustainability, Division of Air Quality, Attention: Rule Improvement Project, 4701 W. Russell Road, Las Vegas, NV 89118; (2) by an e-mail addressed to beckstead@ClarkCountyNV.gov; OR (3) by fax to 702-383-9994.

Publish: 3/27, 4/3, 4/10/2022
